in DWP's history of the BBC. Called Howard
 Yepton & Hank Coftee & we three had a
 money session from 7-9 PM -- we worked on
 & sorted out several CHS&M money matters.
 Then SRP prepared an up-to-the-minute
 CHS&M label run -- 142 CHS&M members,
 all of whom will receive the next Newsletter.
 I will purchase envelopes and put these
 142 labels on them so that they will be
 all set to go when the Newsletter is ready.

Dear Candidate:

Each year the Susquehanna Community High School accepts applications for substitute teaching. Possession of a Pennsylvania teaching certificate that includes secondary grades (7-12 or K-12) is required for substituting in grades 7-12, except in emergencies.

If you are interested in substituting in our school during the 1984-85 school year, please complete the information below. Return this letter and a copy of your Pennsylvania teaching certificate unless your certificate is already on file. You will be notified of a personal interview if necessary.

The normal school day is from 8:10 A.M. to 3:25 P.M. Substitute teachers are expected to perform all assignments and duties of the regular teachers including: homeroom, corridor duty, laboratory duty, lunch duty (paid) and afternoon bus supervision. The rate of pay for substitutes is fifty (\$50.00) dollars a day.

Sincerely,
 Robert G. McNamara
 Principal

Please complete and return with teaching certificate to the High School Office.

When I went down to bathe this morning I took a small
 amful of laundry to be washed in Tinker Creek. The
 water was considerably higher & more turbulent than yester-
 day and also warmer and murkier (as it almost
 never is except following heavy rain). The
 water seemed especially soft and I had a good
 time splashing about in it or I bathed and
 washed my clothes. On the way back up the
 hill from Tinker Creek I spotted some black
 caps and wild raspberries and picked about
 1 1/2 cups of the berries, which I ate with some
 yogurt (after I had hung my laundry on the line).
 Such luxuries as are available to me who live
 in the country and ^{is} in tune with nature &
 the earth. Fresh yogurt and raspberries
 and black caps, served in a Chinese bowl &
 eaten with a silver spoon -- all the while
 SRP sat in the morning sun and
 listened to the house wren noisily going
 about their nesting business.

a very productive afternoon in the
 office of the Financial Secretary at
 the BBC -- did the stager
 item on the top of page 2 here;
 produced an up-to-date membership
 list of the CHS&M, (142 members
 at present); did some
 corrections on the CHS&M, Inc.
 mailing labels.
